

# Pre-Kindergarten 2011- 2012

## NO SHOTS, NO SCHOOL

### PHYSICAL EXAMINATION REQUIREMENTS

At the time of initial enrollment or registration, students entering a Florida school for the first time must provide:

1. A "valid" physical examination that has been completed within the **prior twelve months**.
  - a. Students who cannot provide proof of a valid physical examination must be excluded until they can provide the necessary information required on the Florida form DH 3040.
  - b. An appointment card from a local physician or clinic showing that a physical examination is scheduled to be completed at a later date is **not acceptable**.
2. Physical examinations are available from your local physician or health care provider, walk-in clinics and urgent care centers. A list of clinics and pediatricians is available from your child's school or by calling 377-0514.
3. For Head Start only – Physical evaluation must include a current blood hemoglobin level.
